\$200 per team

Entry fee includes golf fees, range balls, prizes, and lunch.

Teams must be comprised of 2 players age 50 or above.

Flights will be created based off the combined handicap index.

CLARENCE VOIGT MEMORIAL SCHOLARSHIP

Clarence Voigt began as the Assistant Golf Professional in 1946 at St. Clair Country Club.

He later became Head Pro and then Director of Golf before he retired in 1990.

He loved working with junior golfers, was a talented teacher and an expert club maker.

Clarence modeled traits of loyalty, courage, dedication, good sportsmanship and determination in the way he lived his life. To honor his contributions to golf and to perpetuate his legacy, Clarence's family and friends have created a scholarship fund in his name for those young people who embody the same character traits.

A portion of each entry fee will be donated to the scholarship fund, which is awarded through the Gateway PGA Section.
